

## AGENDA

Climate Action Working Group

Marin Conservation League

175 North Redwood Drive, Suite 135, San Rafael

Friday, July 15, 2016, 9-11 AM

1. Introductions
2. Approval of Agenda
3. Approval of Minutes – June 2016
4. 9:10 Discussion: Deep Green with (a staff person) from MCE. How can we grow the percentage of MCE customers who choose 100% Deep Green energy? What are the benefits of Deep Green over 50% green, over PG&E? What makes up Deep Green and how is it changing? All questions answered which can be answered. How can MCL emphasize to it's membership to go deep green.
5. 9:45 Discussion: The big utilities, the CPUC and the climate for locally aggregated power in California. MCE has been growing and new CCAs are being planned. The politics are challenging and we can help. Report on testimony at July 14<sup>th</sup> CPUC meeting.
6. Reports:
  1. Time to Lead on Climate – planning for September event – focus, speakers
  2. North Bay Watershed Association Joint Technical meeting
    - a. "Climate Ready North Bay" a climate adaptation knowledge base for planning the future of North San Francisco Bay watersheds.  
<http://climate.calcommons.org/crn timer/about>.
  3. Resilient Neighborhoods
