

Marin Conservation League
Climate Action Working Group
Friday, May 18th, 2018, 9:00-11:00 AM
175 North Redwood Drive, Suite 135, San Rafael

AGENDA

- 1. Introductions**
- 2. Approval of Agenda and Minutes:** April 2018
- 3. 9:10 Discussion:** Pros and Cons of Western Grid Regionalization. We're privileged to have leading thinkers from both sides of the issue in conversation/debate. Ralph Cavanagh with Natural Resources Defense Council and Lauren Navarro with Environmental Defense Fund tend to favor regionalization, while Doug Karpa, with Clean Coalition, tends to oppose regionalization. How this issue is resolved could have far-reaching impacts on renewable energy. Dawn Weisz, CEO of MCE, will attend. Discussion to follow.
- 4. 10:30 Reports:**
 - a. Legislative & Reg. updates – Pat and Ed
 - b. Cool the Earth and GGEVA – EV demo after meeting – Carleen and Dale
 - c. Drawdown/MCAN – Leslie, Robert
 - d. Environmental Forum – David
 - e. Lead on Climate – Belle and Bill
