Climate Action Working Group

Marin Conservation League

175 North Redwood Drive, Suite 135, San Rafael

Friday, April 29<sup>th</sup>, 2016, 9-11 AM

1. Introductions
2. Approval of Agenda
3. Approval of Minutes – March 2016 (Attachment 1)
4. 9:10 Discussion: Dr. Chris Jones of Cool Climate Network at UC Berkeley will discuss his work with consumption-based metrics of GHG emissions – an alternative method of calculating greenhouse gas emissions that attempts a more comprehensive view of the emissions that we actually cause to be produced anywhere in the world. (As affluent Californians we import a lot, and thus effectively export emissions.) Chris will be joined by Dana Armanino of the County of Marin, Becki Menten from Marin Clean Energy, Cory Bytof, Sustainability Program Coordinator of San Rafael, and others. Sonoma Clean Power has been invited. (Attachment 2)
5. 10:30 Discussion: Climate questions which Supervisor candidates should be asked.
